S1. We are trying to learn about the health insurance of all people living in selected households. As a first step, I need to get a count of how many people live in your household.

We want you to include all family members, boarders, unrelated people, and anyone who is away only temporarily, such as on vacation or in the hospital.

Please do <u>not</u> include anyone living somewhere else now, such as at school or away in the service.

So, **including** yourself, how many persons live in your household?

[RECORD ANSWER IN QUESTION S1. ON FLAP -- IF 10 OR MORE, HOUSEHOLD IS INELIGIBLE, TERMINATE INTERVIEW]

I need to know just a few pieces of information about each of these people. I'd like to begin with you.

- **S3b.** [If 18 or over] Are you/Is this person currently married, never been married, divorced, separated, or widowed?
- **S4.** [If 18 or over] Are you/they currently working at a job for pay?
- **S4a.** Would you rate your/this person's overall health as excellent, very good, good, fair or poor?
